

Cornerstone Christian Counseling offers counseling from a Christian perspective for individuals, couples, families, adolescents and children.

Our internship program is headquartered out of our Westminster location, but we have five locations within our practice which also includes Colorado Springs, Lakewood, Centennial, and Wheat Ridge. Group supervision is required every Wednesday from 9a-11a; weekly individual supervision is TBD with your supervisor – these meetings may be entirely online, or a blend of in-person and online.

Cornerstone offers practicum and internship opportunities at three different start dates throughout the year: the fall, spring and summer semesters. Program commitment for a practicum student is for a full calendar year; program commitment for an internship student is a full academic year.

This program entails a commitment of approximately 15 hours per week; caseload will be 6-8 clients/week for practicum and 10-12 clients/week for internship. Cornerstone provides some opportunities to co-facilitate a group as well, though this is not guaranteed. The remainder of your time will be spent on other administrative and/or educational tasks.
